

CHIBA Fire Shark Cuff (Item No. 61226)

Description:

Finger glove made of **Carbon X®** for maximum protection even under extreme conditions.
The palm made of leather provides an excellent tactile feel and very good traction and grip even on wet surfaces.
Lining with cut-resistant insulation material made of a Kevlar® -Glassfibre-mixture for highest cut protection (level 5) and at the same time the best insulation.
Additional isolation of the glove with 100% para-aramid felt.
The glove is fitted with a waterproof and breathable Eurotex®-membrane. Perfect fit by elastic contraction on the wrist. Highest knuckle protection with a silicone protector, sewn-in elastic band. Strong pre-curved fingers for a perfect fit
All seams are made with Kevlar®-thread.

Sizes: 7-13
Colour: black
Length: about 30 cm
